General Description

1. To act as a Technician operating sound/ lighting or working backstage during rehearsals and shows.
2. To assist the Technical Manager in the repair and maintenance of theatre equipment.
3. To complete maintenance logs for the entire building and assist with minor repairs and maintenance in the function rooms, café and general areas of the building.
4. To deputise for the Technical Manager or cinema projectionist in their absence.
5. To liaise with incoming performers and hirers of the theatre auditorium.
6. To programme and check the weekly cinema programme in the absence of the cinema projectionist.
7. To occasionally act as a Duty Manager to cover absence.

Mission Statement

To promote and develop health, wellbeing and more active lifestyles within the communities we serve

Aim

Our aim is to help individuals and communities LIVE active, healthy, happy and fulfilled lives.

Our Values

- ✓ **Listen** - we will proactively listen to our customers utilising their feedback.
- ✓ **Improve** – we continually look to improve the services we offer, embracing new opportunities, challenges and ideas.
- ✓ **Value** – we will offer affordable, value for money services to all our customers.
- ✓ **Encourage** – we will encourage individuals and groups to fulfil their potential and ambitions.

Specific Duties

1. To act as Duty Technician in the absence of the Technical Manager.
2. Be responsible, in liaison with the Technical Manager, for all facets of the day to day operation of the theatre auditorium and backstage areas with particular emphasis on

excellent customer service which includes ensuring that the theatre is clean and safe for use by employees and the public.

3. To assist with: get-ins; get-outs; programming the lighting desk, operation of sound or lighting desk or follow-spot.
4. Be a key holder and responsible for the security of the building and its environs; the proper functioning of the alarms and the answering of alarm calls when the theatre is closed to the public, as required.
5. To be responsible for the completion of all operational checklists relating to the normal operation of the theatre and to attend promptly to routine maintenance matters as required.
6. To effectively perform all quality related tasks, as outlined in on-site operational procedures, including all financial procedures.
7. To assist the Technical Manager in the development, maintenance and improvement of systems management including staff rotas and paperwork for private hires of the theatre.
8. To carry out all other duties as required by senior management from time to time in accordance to the grading, skills and ability of the post holder. Including taking necessary action to maintain the staffing levels required for the efficient, effective and safe operation of the theatre.
9. To ensure confidentiality at all times in all matters relating to any work communication within the theatre and Hertsmere Leisure.
10. Observe the InspireAll equal opportunities policy in all aspects of employment and service provision and in all dealings with staff and customers.
11. Attend staff training to maintain and retain appropriate specific qualifications.
12. To adhere to InspireAll positive attendance at work culture.

Skills, Knowledge and Experience

Essential:

All essential criteria are critical to the post and must be obtained within 6 months employment and maintained throughout employment.

- Previous experience working as a Technician.
- Basic understanding of either carpentry or electrics or plumbing.
- An aptitude for making good quality repairs to equipment.
- Very flexible approach to working late evenings, weekends and occasional very long days.
- Demonstrate excellent customer service skills.
- Current First Aid at work qualification or ability to pass the qualification within the first six months of employment.
- Must be able to cope with a physically demanding role including working at heights.
- Excellent communication skills, both verbal and written.
- Ability to learn cinema film projection.
- Experience and ability to create, rig and program a lighting plan using generic and intelligent lighting.

Desirable:

1. Electrical qualification (City and Guilds).
2. Technical Theatre qualification.
3. Experience in a receiving house working with 'one-nighters'.
4. Experience working with community private hirers such as dance schools or local amateur dramatic companies.
5. Experience and an understanding of digital sound desks.
6. Experience and an understanding of the ETC ION lighting desk.

Complexity and Creativity

1. To be involved in resolving complex problems emanating from the day to day supervision and operation of the theatre. The applicant needs to be able to seek safe resolutions to problems and complaints to ensure the delivery of a high quality and safe leisure service.
2. To be a team player, able to work effectively with our bank of loyal casual staff.
3. Must be able to demonstrate and use appropriately effective communication skills.

Judgement and Decisions

1. Must be able to ensure that the building is safe when operational and be confident to take the decision to close down an activity/facility if it threatens the health and safety or welfare of the public or staff.
2. Must be able to successfully prioritise a demanding workload, balancing the day to day needs of the theatre and the maintenance needs of the rest of the building.
3. Need to be able to negotiate/talk to hiring customers in a sensitive manner ensuring that we have an understanding of their requirements but don't promise what we can't deliver.

Contacts: Internal 50% External 50%

Method: Face to face, by telephone or in writing. The Technician will be required to attend meetings and technical training sessions.

Internal:
Technical Manager Regular liaison to meet agreed performance.
Theatre Management Team:

All other Staff: Some liaison with front-of-house staff.

External:
Theatre Customers: Deal with telephone, written and personal enquiries in the absence of the Technical Manager.

Suppliers/Contractors: Liaise with contractors/visitors on site.

Special Features

A very flexible approach to working hours is required. The Technicians are often required to work longer than the standard 8 hour day and are regularly required to work Friday, Saturday and Sunday evenings often finishing at midnight or occasionally later. To meet the needs of private hirers you may occasionally be required to work a six day week. Time off in lieu is given for any overtime worked. Annual leave cannot be taken during the busy pantomime run from end of November until mid January. Technical work inevitably involves working at heights and some heavy lifting and moving of equipment.
